## What our customers say...

I have used several storage facilities across PHX and I-17 Thunderbird Self Storage on Thunderbird Rd and the I-17 has proved to be the best storage facility I've ever come across. The units are reasonable, the place is kept very clean and the proprietors are friendly, helpful and courteous. – **Timothy Warren**

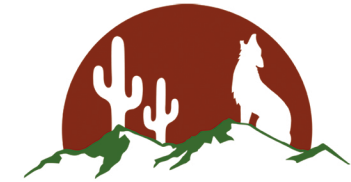

This place is so clean it could be a hospital. Literally the interior shines. All the staff are friendly and welcoming. Reasonable rates and a secure facility also. No better storage facility in Phoenix. I highly recommend them. – **Shandon Sullivan**
